Admission Information Session (AIS)

Saturday, November 9, 2013

10:00 am – 11:30 am

“Now Enrolling Rising 9th Graders”

Do you know a 8th grade Leader who is looking for an unique option for educational success? If so, invite them to our first Admission Information Session. Admission Information Sessions are designed to provide Leaders and parents with more details on the college prep curriculum, enrichment activities, sports, expectations and admissions process. At this time, we welcome any questions, concerns, or suggestions you may have about your Leader’s high school educational experience. We pride ourselves on honor, discipline, and scholarship. These three factors are essential in creating leaders of today, tomorrow, and the future. We are providing one of the best educational experiences in the Pullman area and would like for you and your family to join our movement. The Lynx Family is looking forward to meeting and working with you as we prepare your scholar for college and becoming an impactful member of society.

At Butler, “You enter to LEARN, and leave to LEAD!!!”

**Applications are only available for those who attend the Admission Information Session.*

Dear Parent/Guardian,

The Federal No Child Left Behind Act (NCLB) requires school districts to inform parents of their “right to ask” for the educational qualifications of their children’s classroom teachers. Specifically, parents have a right to know:

- If their child’s teachers have met state qualification and licensing criteria for the grade levels and subject areas they teach;
- If their child’s teacher(s) are teaching under emergency or other provisional certificate status;
- Undergraduate degree major of the teacher and any graduate degree they may hold;

Qualifications of any paraprofessionals providing services to their children;

If you wish for any or all of the information, please contact the main office. Please be aware that certificate and NCLB qualification data for teachers will not be available until the second semester. At that time, parents who requested the information can pick up the information from the school.

If you have any additional questions, please contact the Principal.
