Principal's Message:

"Change will not come if we wait for some other person or some other time. We are the ones we've been waiting for; we are the change we seek."

-President Barack Obama

The above quote has been the theme of Freshmen Week 0 at Butler College Prep. A rigorous week indeed, Butler's Class of 2018 have stepped up to the plate and embraced their role as Leaders. We have hosted daily Family Meetings to reinforce Butler's Core Values, the Noble Way and for the class of 2018 to truly embody the change that Chicago needs. To reinforce our theme of Social Justice, the entire school took an in depth look at what is happening in Ferguson, MI. I am amazed at our Leaders compassion and critical thoughts surrounding the Michal Brown tragedy. I believe that the Leaders in the Class of 2018 now understand how their persistence to and through college will equip them with the necessary tools to live healthy lives and serving their community as agents of change.

The Lynx Files

I would like to thank you for placing your child in our hands as a Leader at Butler College Prep. We take this job seriously and look forward to our Leaders growth and increasing our relationship with each of you. The newsletters are one of many ways that we will communicate with you. **You can expect your Leader to receive a newsletter on Thursday of each week and they must return it to their advisor, signed by a guardian, by the next school day. Do not forget, this is a weekly grade in advisory.** Butler's office team will also post an electronic version of each newsletter on our website, <http://butlercollegeprep.org>.

DISCIPLINE MEMO

One of the most popular clichés is “You’re doing too much.” Our Leaders are correct. We do the absolute most! Our job is to ensure college acceptance and college matriculation. We take that job very seriously. The Student Code of Conduct has been designed to provide a positive and safe learning environment. The goal of this policy is to provide Leaders with the necessary tools to develop a sense of self-discipline, self-understanding, self-direction, successful interpersonal skills as well as a sense of self-worth. The academic as well as the discipline expectations of Butler College Prep are high and the SCC, along with Butler’s addendums, is designed to give Leaders the best chance to be prepared for college and a career and to feel safe and happy at school.

If you have any questions concerning the SCC or the discipline procedures of BCP, then please do not hesitate to contact me.
