Principal's Message:

Noble Makes History Again

NOBLE

Week one is almost complete and we are one big happy family at Butler College Prep, now that our Founding Class is in the building. It has been a rigorous week for the Leaders as they are getting accustomed to a larger school. Nonetheless, the Leaders have stepped up to the challenge!

It gives me great pleasure to inform all of our constituents that the Noble Network of Charter Schools has made history again! Newsweek Magazine has ranked Noble as the 8th Best High School in the country due to our success in working with low-income, minority students in the City of Chicago. You should take great pride in knowing that you made the choice to be part of the Noble Network and Butler College Prep because we are one of the best in the country. Additionally, Noble is ranked #4 in the nation for doing the "most with the least". This means that we do more for our schools and students, while receiving less per pupil funding than identical schools throughout the country.

First and Goal

Butler College Prep is so excited to launch our Founding Lynx Football team this fall. With a generous donation of \$20,000 from Good Sports and Riddell, our football team will be dressed to impress with state of the art padding, helmets and uniforms.

Please read the full story in today's REDEYE newspaper on pages 6-7. Sophomores, Avery Davis and Justin Williams, expressed a sense of possibility and teamwork as they were quoted in the article. A huge thanks to Mr. Hobson, Athletic Director, for exhibiting one of our core values, Relentless Pursuit of Results.

DISCIPLINE MEMO

One of the most popular clichés is “You’re doing too much.” Our Leaders are correct. We do the absolute most! Our job is to ensure college acceptance and college matriculation. We take that job very seriously. The Student Code of Conduct has been designed to provide a positive and safe learning environment. The goal of this policy is to provide Leaders with the necessary tools to develop a sense of self-discipline, self-understanding, self-direction, successful interpersonal skills as well as a sense of self-worth. The academic as well as the discipline expectations of Butler College Prep are high and the SCC, along with Butler’s addendums, is designed to give Leaders the best chance to be prepared for college and a career and to feel safe and happy at school.

If you have any questions concerning the SCC or the discipline procedures of BCP, then please do not hesitate to contact Ms. Robinson (Dean of Discipline) at (773) 535-5490 or jarobinson@noblenetwork.org.
