Founding Student Government is Selected!

The Leaders of Butler College Prep have voted and we now have our Founding Student Government Association (SGA) in place. Similar to my role as a Founding Principal and the duties of our Founding Staff, the Founding SGA will be charged with creating a high functioning student led organization that will serve as the voice of the student body. Moving forward, these Leaders should understand this will not be an easy task and we're proud they have taken the charge. The Founding SGA Officers are below:

at

Butler College Prep

Martial Arts Leaders are learning how to apply gan, pak, and tan to their abilities to focus and maintain discipline in their core classes in correlation with life. The elements of Martial Arts will aid in positive reinforcement and development of their “zen.” Zen is the positive or negative energy which contributes to an individuals mood and character traits. When our leaders develop the ability to balance their zen it will allow them to reveal and become one with their inner self.
