College Corner

JUNIORS

Chicago Scholars is transforming the leadership landscape of our city by resolving the fundamental barriers to success for academically driven, first generation college students from under-resourced communities. Through college counseling, mentoring, and by providing a supportive community to our Scholars through each phase of our program: College Access: Launch, College Persistence: Lift and College to Careers: Lead, we ensure that they realize their full potential as students and leaders. The College Team is pulling ~70 juniors to discuss eligibility for Chicago Scholars today, with hopes of inducting participants into the program.

SOPHOMORES

On January 26th (RCPU) at 6:30p parents of students who are accepted and wait-listed for Summer of a Lifetime should attend a mandatory meeting that will be held in the Lecture Hall.

PAC

Parents and families!

Springfield is in session and it is important to have parent leaders such as yourselves advocate with legislators. They are the people who can turn a bill into a law that affects us all. It is important more than ever to engage with our representatives and let them know we are paying attention. Our campus organizer will be taking 2 trips to Springfield with 6 parents each. It will be a day trip. You will meet at a campus and the organizer will drive you down to Springfield. Food will be provided. Once you get there you will meet with your representatives about bills that will either hurt or harm us and advocate. The dates for south side campuses are January 24th and February 13th. Reach out to Brian Riddick at the school if you're interested in joining - (773) 535-5490
