### Free Dental Check

Butler College Prep has collaborated with the Chicago Public Schools SCHOOL BASED-ORAL HEALTH PROGRAM. The SCHOOL BASED-ORAL HEALTH PROGRAM is a group of licensed dentists, who come to schools to provide dental exams/screening, dental cleaning, fluoride treatment, and apply dental sealants (AS NEEDED) at NO COST to Leaders or their families. Providing this service for our Leaders will help promote the importance of proper dental hygiene. We encourage you to fill out the consent form to allow your Leader to benefit from these services. The consent forms are due back with the newsletter on 11/14/2014. If you have any questions please contact Social Work Intern, Jasmine Garcia (773) 964-6939.

These three pillars are essential in creating leaders of today, tomorrow, and the future. ***Come out to our Admissions Information Session, Saturday, November 8, 2014 at 10am.*** The Lynx Family is looking forward to meeting and working with you as we prepare your scholar for college and becoming impactful member of society.

### Where do you see yourself after high school?

On Friday, November 14<sup>th</sup>, 2014, thriving professionals will help our leaders take the first step toward acknowledging their own career goals. It is our hope to execute an event that will highlight the success of minority professionals in an array of careers so that our student body will see that success has no color barriers, and when it comes to achieving professional goals: the sky is the limit. On that Friday, leaders will be dismissed at 2:45PM. We're excited for this event!

# Community Service Made Possible by Donation

Butler College Prep would like to graciously thank and recognize the parents of 9<sup>th</sup> Grade Math Teacher, Ms. Anoli Patel, who made a significant contribution to the school so that we may offer a unique community service project to our Leaders. Currently residing in Los Angeles, CA, Mr. and Mrs. Patel wanted to make a donation that would support our mission, a project or a school-wide initiative. In collaboration with their daughter and Illini Fighting Hunger, Butler has decided to host a meal-packing event in which our Leaders will prepare 45,000 packaged meals for impoverished children and families throughout the world. This will be a massive operation, but one with a purpose that aligns to the mission of Butler College Prep. **Butler's Meal Packing Service Project is Tuesday, November 11, 2014. Leaders must submit permission slips to their advisors on Monday, November 10, 2014.**
