### Quarter 2: Report Card Pick-Up

At Butler College Prep, Report Card Pick-Up (RCPU) is one of our favorite times of the year because we are able to set aside time to discuss your leader's success. During this time, not only will you be able to meet with your leader's advisor, but you will also have the opportunity to meet all of his/her teachers.

Please check in with Mrs. Harris in the main office before RCPU to discuss any fees owed (Monday—Friday 8am-4pm).

**When:** Friday, January 29, 2016

**Time:** 3:00pm—7:00pm

### Are you failing any of your promotional requirements?

Our goal is for all leaders to receive a quality education in a safe environment which will result in leaders graduating high school and attending college. For this reason, we offer several supports for leaders to be the best in all promotional requirement areas (i.e. attendance, health/fitness, academics, enrichment, community service and discipline). If a leader does not meet the minimum promotional requirements, they must attend Night School which begins the week of Monday, February 1, 2016 and ends during the week of April 11, 2016.

**Cost:** If a leader failed a core class, elective class, advisory, or discipline, the cost is \$140. If a leader did not meet the community service benchmark, the cost is \$35.

**Refunds:** Once enrolled, leaders cannot receive a refund for any portion of the cost. For every class enrolled, leaders will be charged \$140 per class.

### 11th Grade ACT Scores

Juniors who took the December 12th test can expect to receive scores over the next few weeks, as they are staggered. The expected return for scores is between December 22<sup>nd</sup> and February 8<sup>th</sup>.

### Summer of a Lifetime (SOL) Parents

Mr. Riddick will be hosting a parent meeting on Friday, January 29<sup>th</sup> during Report Card Pick Up (6:30pm-7:30pm), *This is a mandatory meeting for all SOL parents.*

### What's going on in Geometry with Ms. Gist

We are taking a dive into Trigonometry. Leaders will spend a substantial amount of time finding missing angles and sides on right triangles by using trigonometry. Once leaders have mastered this, they will jump into angles of elevation and depression.

### Parent Parking on E.104th Street

The safety of our leaders and family is important to Butler. For this reason, we are asking all parents/guardians to not double park (idle parking) during dismissal. Residents of the Pullman neighborhood and Butler parents/guardians have no room to pass safely; which cause drivers to become impatient and angry. This behavior results in drivers accelerating speed and jeopardizing the safety of everyone. Thank you for your consideration with this matter and we look forward in your help in changing this traffic safety hazard.

### Sophomores: ACE Survey

Sophomore leaders will be given the ACE survey in their PM advisory on January 25th and February 1st. The ACE survey is an empirically validated, research-based social emotional inventory that assesses areas of need. This survey will be used to determine programs and supports the school can offer to make sure we are meeting the social-emotional needs of our leaders. If you have any questions about the survey, please feel free to read more about it online, or reach out to Ms. McLaren, the social worker. If you do not want your leader to participate in the ACE survey, please email Ms. McLaren at [dmclaren@noblenetwork.org](mailto:dmclaren@noblenetwork.org) by Monday, January 25th at noon.
