(Monday = 100%, Wednesday = 80%, Thursday = 0%)

Principal's Message

Today marks the conclusion of Butler College Prep's most successful Freshmen Week 0 in the school's short history. We give a lot of credit to the success of this summer's Freshmen Bridge, however, I must tip my hat off to our Lynx Parents!!! Your Leaders are on top of their game, because you are helping us to ensure their success. Usually the way a school year begins, is the way it will end and I know that this will be an amazing year! We realize that it has only been four days but the Class of 2019 has concluded the week with some impressive numbers. First, 92% of the Class of 2019 Leaders are on track academically, which means that the vast majority of the Leaders are passing all of their classes thus far. The average GPA (Grade Point Average) is a 2.85 for the entire class, which is almost a B average. In regards to detentions, when they are compared to previous years at the same point, the average number of detentions per Leader is .15, which is the lowest in our history! More importantly, the Leaders are doing their homework because 95% of them have not earned a LaSalle! The data above may not seem significant, however, it is important to note that we want this trend to continue for the entire year. Thank you for being a part of the Butler Village!!!!

If you received at least 4 demerits during Week 0, then you have Detention. Detention will be held this Friday from 8:00 – 11:00. You must be on time and in full uniform. Anyone who is late will not be allowed to serve detention.
