**In Loving Memory of Justin Williams**

It is with deep sadness that we inform you about a recent loss to our school community. On Tuesday, February 3, 2015 Justin Williams passed away due to accidental death. Our thoughts are with his family during this difficult time. This loss is sure to raise many emotions, concerns, and questions for the entire school, especially our leaders.

The Noble Network Social Workers were at the school today and yesterday to provide grief counseling and support to leaders and staff members. These individuals will be in the building over the next several days to assist our school community. Please be sure to speak with your leader about this incident to ensure they are grieving properly.

Information about the funeral service will be made available as soon as we have it. If your leader wishes to attend, we strongly encourage you to accompany him or her to the service. We are saddened by this loss and will do everything we can to help you and your leader.
