Summer of a Lifetime

Right Angle is dedicated to providing access, funding and support for hundreds of low income students to participate in summer academic enrichment programs at colleges and universities nationwide. Summer of a Lifetime reaches students after their sophomore year when they are at a crossroad in high school and provides them with life changing college experiences forever in influencing their educational and career trajectories.

Over the next several months, we will be receiving acceptance letter from various college programs for our leaders to begin a Summer of a Lifetime.
