Semester 2 Volume 24

Quarter 3 Interim Test

At the end of every quarter, we as a Noble Network, assess our leaders on their knowledge of the College Readiness Standards. We take these formal assessments very seriously as this has become our number one re-teaching toll across the network. This week the leaders took the Open Ended Response Assessment (OER). The OER included a writing section in the following areas: English/Reading, Science, and Math. On **Friday, February 26th** the leaders will take the multiple choice section of the interim in the following subjects English, Reading, Math, and Science. Leaders will be able to gain extra help from Butler Staff at Interim Prep on **Thursday, February 25th**.

- Detention on Friday, March 11 from 12:30pm – 3:30pm for detentions earned on February 26th, March 4th or March 11th

What's New in Math Concepts with Ms. Tarver

In Math Concepts we are focusing on the concept of Slope, Midpoint, and Y-intercept. We are working on when to apply the different concepts and remembering the equations for each. The Leaders have been working really hard to master this for their upcoming Interim! For Black History Month we've been focusing on prominent Leaders of color to read and learn about during the last 15 minutes of class. So far we've read about Dorothy Dandridge, Assata Shakur, Malcolm X, and Zora Neale Hurston. Next week we are reading about Fred Hampton and Ossie and Ruby Davis.

Update Emergency Contact Forms

Butler College Prep main office is requesting updated information from you. Please take the time to fill out the attached Emergency Contact Form for your leader's school records. If we do not receive this form back we will assume nothing has changed. Return this document to the main office no later than March 1, 2016. Thank you for your cooperation, Butler College Prep Administration.

Noble Network Basketball Championship

Our Varsity Boys Basketball team bought home the win last Saturday. As the crowd yelled "Go Lynx", our team conquered Chicago Bulls College Prep in every quarter. The final score was 65 To 51.

This week they participated in the playoffs for the state championship. They beat our next door neighbors Corliss High School, the final score was 82 To 62. This defeat landed in the regional semifinals against Hales Franciscan where they played a hard fought game. Although we lost, **THEY ARE OUR STILL OUR LYNX CHAMPIONS!** Please be sure to congratulate the coaches and team on an awesome season and memorable championship game.

Shout out our JV Boys Basketball team for having an undefeated season and making it to the Noble Championship. We are extremely proud of you as well!

Free Dental Exam

Butler College Prep has collaborated with the Chicago Public Schools—School Based Oral Dental Health Program, who come to schools to provide FREE dental exam/screening, dental cleaning, fluoride treatment, and apply dental sealants (as needed) at NO COST to leaders or their families. Providing this service for our leaders will help promote the importance of dental hygiene. We encourage you to fill out the consent form to allow your leader to benefit from these services. The consent forms are due back with the newsletter on 2/26/16. If you have any questions, please contact Social Work intern, Jasmine Garcia (773) 535-5490.

ACT Prep Boot Camp

We know parents and families are as dedicated as we are to helping our leaders achieve the highest scores in the network on the ACT. On May 5th, our founding class will do just that. To prepare, we launched our 10-week ACT Prep Boot Camp which will start on Friday, April 19th. Letters to parents and families with details and logistics were mailed home. Juniors are able to wear their ACT Prep t-shirt every Friday along with their school uniform pants, belt, and shoes.

Do you need community service hours?

Ms. Totty has partnered with a local church who is offering community service hours for the next three Saturdays. Please see Ms. Totty for more details or sign-up in her office in room 242.
