What's New in Literacy Acceleration with Ms. Taylor and Ms. Totty

In Ms. Taylor's Freshman Literacy Acceleration class, we are reading the book *Freak the Mighty* by Rodman Philbrick. The storyline revolves around the unusual friendship of two boys, Kevin and Max. With themes like friendship, loyalty and adventure, alongside studies of figurative language and character description, the leaders are working hard at tackling this classic tale.

In Ms. Totty's Sophomore Literacy Acceleration class, we are focusing on the ways media and entertainment affect the way we act and think. We are focusing on musical artist such as J. Cole, Kendrick Lamar, Future, and Fetty Wap to exam their lyrics for three aspects: content, message (positive/negative), and outcome. Leaders will translate their findings into creating their own genre of music resulting in them making a song to be recorded at the end of the quarter. Leaders are also reviewing social media messaging for three aspects: professionalism, content, and message. The goal is for leaders to begin to use social media in an positive manner.
