The cost of each enrichment is \$35. Leaders must pay a minimum cash deposit of \$10 to be enrolled in each class. Remember, the promotional requirements for freshman (0.25 credit hours) and sophomore (0.50 credit hours). If promotional requirements are not met, Leaders will have to attend summer school to recover credits. Leaders can only miss two classes and receive no more than eight demerits.

Sex-ed, Health, and Hygiene (SHH) Fair

Many recent statistics show the possible and negative effects of when adolescents engage in sexual activity. Providing teenagers with the knowledge of the consequences associated with sexual activity empowers them to “just say no.”

The health and safety of our Leaders can be improved immensely if we provide them with the access to health services to treat STIs, seek out birth control options, and safely address unplanned pregnancies. As a result, this year Butler College Prep will be partnering with Chicago Family Health Centre to provide a day of workshops on Friday, March 20th. **If you do NOT want your Leader to be given access to the workshops and services, upon request, please inform your Leader’s advisor or the front office they you would like to “OPT OUT” before March 20, 2015.**
