Quarter 4 Interim Testing

Each quarter, we as a Noble Network, assess our leaders on their knowledge of the College Readiness Standards. We take these formal assessments very seriously as this has become our number one re-teaching tool across the network. **On Friday, April 24th, the leaders will take the multiple choice section of the interim in the following subjects: english, math, reading, and science.** Please be reminded if a leader arrives late to school, they will have to make up the missing test portion the following week as scheduled. For this reason, please make sure your leader(s) are well rested, ready to perform, and arrive to school by 8am.

DandyLions Exhibition: (Re) Articulating Black Masculine Identity

On **Saturday, April 18, 2015**, several Butler leaders have been selected to attend a photography exhibition along with the Principal and several other male staff members. The Contemporary Museum of Photography current exhibition features contemporary photographs of the African-American men dressed in Modern day gentleman fashion. This exhibit dispels the numerous stereotypes and propaganda that often characterized African-American men in a negative light. It is a wonderful opportunity for our male leaders to be exposed not only to alternative images of Black men, but to engage in meaningful and insightful conversations as well.

We encourage that your leader comes dress to impress (Dress shirt, tie, bowtie, dress slacks, blazers, dress shoes). Leaders will need to arrive to campus at 2:00 and we will depart promptly at 2:30. Leaders will return to the campus immediately following the event.
