Student Fees

In order for your leader to be compliant with our school fee policy, you must pay 25% of their balance. Inability to pay the amount requested may result in your leader not being able to receive upcoming report cards, participate in dances, and/or enroll in extracurricular activities. If you have any questions or concerns, please contact Ms. Harris in the Main Office (room 142).

ACE (Adverse Childhood Experiences) Survey

On October 5th, junior leaders will be given the ACE survey in their PM advisory. The ACE survey is an empirically validated, research based social emotional inventory that assesses areas of need. This survey will be used to determine programs and supports the school can offer to make sure we are meeting the social-emotional needs of our students. If you have any questions about the survey, please feel free to read more about it: <http://www.americasangel.org/research/adverse-childhood-experiences-ace-study/> or reach out to Ms. McLaren, the social worker. If you do not want your leader to participate in the ACE survey, please email Ms. McLaren at dmclaren@noblenetwork.org.

Medical Physical Compliance

Medical physicals and immunization shots are state mandated for all children enrolled in school. If your leader does not have an updated physical immunization record on file in our office, please visit the Roseland Community WIC Building (11255 S. Michigan). Leaders will be able to visit this fast-track immunization clinic to become compliant. **Leaders will not be able to attend school after Friday, October 9th, if they are not compliant.** If you have any questions or concerns, feel free to contact Mr. Gonzalez at (773) 535-5490 or hgonzalez@noblenetwork.org.

Discipline

Parents of Junior Leaders: With the rise of incidences concerning academic dishonesty, the Leadership Team along with the 11th grade advisors and grade level team are adamantly attempting to remind our Leaders of the importance of having integrity. They are the foundation of Butler College Prep and have assisted tremendously in building the Lynx culture, but we do not want the continued instances of academic dishonesty to destroy that culture. Moving forward, the consequence ladder for academic dishonesty for juniors will be:

- 1st Offense – 5 Days Suspension
- 2nd Offense – 8 Days Suspension and possible permanent removal from all sports teams
- 3rd Offense – 8 Days Suspension (At this point, Leader has exceeded 20 days suspended and will not be promoted)

What's New in Visual Arts with Mrs. Evans
