Admission Information
Session
(10am-11am)

November 25th - 27th

Thanksgiving Break
(School Closed)

Quarter 1: Report Card Pick Up

At Butler College Prep, Report Card Pick-Up is one of our favorite times of the year because we are able to set aside time to discuss your leader's success. During this time, not only will you be able to meet with your leader's advisor, but you will also have the opportunity to meet all of his/her teachers.

Please be mindful in order for parents/guardians to receive report cards, at least 25% of your leader's first quarter fees MUST be paid. Inability to pay the amount requested may result in your leader not being able to receive upcoming report cards, participate in dances, and/or enroll in extracurricular activities. If you have any questions or concerns, please contact Ms. Harris in the Main Office (room 142).

When: Friday, November 6, 2015
Time: 3:00pm – 7:00pm

NO School

School will be closed for ALL leaders on Friday, October 23rd. School will reopen Monday, October 26th at 7:45am.

What's New in Chemistry with Ms. Bochenek

This week in Ms. Bochenek's tenth grade chemistry classroom we are conducting a group project and lab experiment on the physical property of solubility. Within groups of four leaders are creating their own flavor of soda pop! Through background research and classwork leaders had to come up a recipe of items that are able to dissolve in water, a marketing scheme to sell their soda and even a label for their bottle. Throughout the next couple of days leaders will give a brief presentation on why you should buy their soda, we will have a taste off and a winner in each class will be decided. My hopes for this project beyond the classroom content, was to allow the leaders to display their creative side and work on their group work skills. Later in the week we will be moving on to the next unit of material which will cover the Kinetic Theory and Gas Laws, bring on the *pressure!*

Medical Physical Compliance

Medical physicals and immunization shots are state mandated for all children enrolled in school. If your leader does not have an updated physical immunization record on file in our office, please visit the Roseland Community WIC Building (11255 S. Michigan). Leaders will be able to visit this fast-track immunization clinic to become compliant. Extended Deadline: **If they are not compliant, Leaders will not be able to attend school after Monday, October 19th.** If you have any questions or concerns, feel free to contact Mr. Gonzalez at (773) 535-5490 (school), (773) 442-0343(fax) or hgonzalez@noblenetwork.org.

Discipline Memo

There is no detention Friday, October 23. However, if you earned a detention on October 16, October 23 and/or October 30, then you will have to serve detention on October 30. If you are removed from detention on October 30, then you will be suspended for the number of detentions you are serving. For example, if Mr. Montes is serving three detentions and is removed, then he will be suspended for three days. You will receive your detention slips, either 1, 2 or 3, on Wednesday, October 28.

Leader vs. Staff Flag Football Game

Lynx family, please come out and join us on Thursday, October 22nd as our leaders take on staff members in a fun game of flag football. This is a free event; however, we will be selling "Butler Swag!" We will meet as a school body at 3:15pm—4:30pm on the field area parallel to our school. See you there!

SHERO Summit: "I'm Feeling Myself"

Lynx young ladies, do you often find yourself saying "I'm Feeling Myself!" If so, this is the prefect event for you to grow as a young lady, grow with others, and build new relationships.

The mission of the **J. Rose Project** is to empower girls of various social, economic, racial, & academic backgrounds through cutting-edge & thought-provoking programming within the *Greater Chicagoland area*. The "I AM SHERO" Summit is the trademark of the **J. Rose Project**. The J. Rose Project aims to encourage strength & individuality by affirming to each girl that she is strong, fierce, and brilliant in mind, body, and spirit. One of the ways that we do this is through our annual Summit.
