Before Thanksgiving Break, eligible students received applications and participated in an interest meeting with Summer '16 alum. Applications were due on December 2nd, and selected students + wait-list students will be notified of status on December 21st

EAC

The College Team of Butler College Prep is excited to host The Economic Awareness Council (EAC) which is a non-profit organization whose mission is to prepare students and families for the economic and financial decisions they will make both today and tomorrow. During its first few visits with BCP's class of 2017, the EAC will re-emphasize the steps involved with navigating paying for college and managing money while away at college that have been explored during collegiate seminar. These workshops will be during school on 12/12 and 12/13.

Dismissal

Leaders, if you are not participating in an enrichment or practice, then you must leave the school at the 3:45 dismissal, after LaSalle or Office Hours. With the weather changing, Leaders are not allowed to stay in the building and we all know how brutal Chicago winters can be. On Mondays, you'll only be allowed to stay in the building till 6:15 and Tuesdays – Thursdays you will be asked to leave at 5:30. Parents, please ensure your Leader has a means of transportation as they will not be allowed inside the building without staff supervision.

Early Dismissals

Please be advised, the parent and guardian or a designated emergency contact with parent/guardian approval must come in the building and sign the student out of school. Leaders are not allowed to sign themselves out of school even with a parent/guardian's consent.

Late Arrivals

Parents, we understand that weather is getting colder and it takes students a little longer to get to school. With that said, please make sure that your students are getting up and out of the house early enough to get to school on time. There has been a spike in tardy to school demerits. We don't want this problem to get out of control and have a huge number of students in detention and summer school just because they cant get to school on time. Thank you.
