Safety

It has been brought to our attention that there was a Facebook post of a clown threatening to come to our school. There have been many reports of similar social media postings involving schools around the country, but as with all concerns, we take all threats seriously. We immediately contacted the CPS Office of Safety and Security and began an investigation. The safety of our staff and students is our top priority. Please note that any Leader participation in these activities, credible or has a hoax, is subject to disciplinary consequences in accordance with our SCC.
